SUMMARY

Computer Science student with hands-on experience in web development, app creation, and technical innovation. Developed user-friendly applications, including a Flask-based chatroom and custom ROM for events. Passionate about community involvement, mixed martial arts, and fitness. Always striving for growth, collaboration, and maintaining high standards in all endeavors.

SKILLS

| | | |
|--------------------|----------------------------|--------------------|
| Project Management | Web Development | Public Speaking |
| Communication | App Development | Media Editing |
| Team Management | Custom GBA ROM Development | Event Coordination |

PROFESSIONAL EXPERIENCE

EICON

Oct 2023 - Present

Public Relations Officer

As a Public Relations Officer, I led media outreach, event coordination, and content creation. I aided in the development of the website and custom GBA ROMs for a treasure hunt event, boosting brand presence. Skilled in communication, project management, and relationship-building, I'm dedicated to enhancing brand visibility and fostering strong connections through strategic collaboration
